management of staff and people exposed to covid-19. Government guidance about this is here: <https://www.gov.uk/government/publications/covid-19-management-of-exposed-healthcare-workers-and-patients-in-hospital-settings/covid-19-management-of-exposed-healthcare-workers-and-patients-in-hospital-settings#additional-considerations>

You regularly reassure staff that you take their safety very seriously and, that if staff have concerns they are welcome to talk to you. You are supporting staff members who are from Black, Asian and Minority backgrounds through consultation and will document this in risk assessments, to reflect consideration of individual's unique risk factors.

#### Management of the service

You do not feel there are any current pressures upon the service. You feel well supported by the provider, your staff team and external agencies.
